

Fundraiser Safety Tips

Child safety in fundraising is our main priority. That's why we discourage any student from selling door-to-door or selling to strangers.

- Have students/parents make a list of friends, family, relatives, and neighbors to contact to avoid door-to-door sales.

- Encourage students to use the telephone and email to contact your list of people to ask them to help your group by making a purchase.

- Never allow children to carry collected money unless accompanied by a responsible adult.
